

Activating Drivers for Digital eMpowerment in Europe

Join NOW

the most “eInclusive” pan European Network

Become a member of the ePractice ADD ME! Community and join **a pan European Network** to support people digitally excluded or in danger of exclusion to use public and local services via Information and Communication Technologies (ICT).

ADD ME! aims to enlist organisations (Public Administration Institutions, NGOs, Civic Organisations and Centres, Agencies, Volunteering groups and other offline and online entities such as networks, blogs, etc.), which are active in the field of social care, assistance and enhancement of vulnerable social groups such as the elderly, pensioners, youth, disabled, immigrants, poor, etc. If you represent any of the above entities

[ADD yourself to our Network!](#)

The **ADD ME! Community** will keep you informed about:

- Other stakeholders and similar initiatives in the field of eInclusion;
 - Good practices, lessons learnt, and examples of successful and sustainable models of public service delivery to the specific social groups;
 - Recommendations and success factors for better implementation of eInclusion strategies in local and national level.
-
- **GET THE CHANCE TO EXCHANGE VIEWS, EXPERIENCES AND BEST PRACTICES ON eINCLUSION**

 - **SUPPORT DIGITAL EXCLUDED PEOPLE IN ENJOING THEIR RIGHTS TO PUBLIC AND LOCAL SERVICES VIA ICT TOOLS**

Regarding the project:

ADD ME! project is an inclusive EGovernment initiative within the COMPETITIVENESS AND INNOVATION FRAMEWORK PROGRAMME - ICT Policy Support Programme (ICT PSP) call identifier: CIP-ICT-PSP-2008-2.

ADD ME! aspires to gather pertinent social and institutional organisations into a common framework and learning environment that support disadvantaged groups in becoming major beneficiaries of public services to which they are entitled. The virtual ePractice Community has been launched for this reason as for these various entities to consist a pan European Network and support and assist digitally excluded people to use their public and local services via ICT.

ADD ME! is formed by a consortium of 20 partners with different expertise and know-how. The ADD ME! Consortium members are: Università degli Studi di Roma La Sapienza - CATTID (Italy), Kommunenes Sentralforbund Ans - KS (Norway), Observatory for the Greek Information Society - GISO (Greece), Associazione Italiana Difesa Consumatori ed Ambiente - ADICONSUM (Italy), Instituto de Engenharia de Sistemas e Computadores do Porto - INESC PORTO (Portugal), Government to You - Gov2u (Greece), Research Institute for the Development and Promotion of Digital Access - DA (Greece), Universitetet i Agder - UIA (Norway), Comune di Modena - CM (Italy), 4C Hungary Kommunikacios es konzultacios Korlatolt Felelossegu Tarsasag - 4C (Hungary), "Az Informalt Kozossegekert" Eselyegyensegi Alapitvany - eINK (Hungary), Nottingham City Council - NOTTS (United Kingdom), Kraj Vysočina Inancs - INANCS (Hungary), Kraj Vysočina - VYS (Czech Republic), Seniornett Norge - SEN (Norway), Conseil des Communes et Régions d'Europe-Association - CEMR (France), Municipio de Santa Maria da Feira - SMF (Portugal), Fundacion Instituto de Innovacion para el Bienestar Ciudadano - I2BC (Spain) and Electronic Service Delivery (esd) Limited - ESD Limited (United Kingdom).

The strategy of the network is flexible and multi-channel, taking into account that intermediaries use and combine different ways to approach public and local services.
