

9th Eastern European e|Gov Days: eGovernment in Times of Economic Callanges

May (8) 9-11, 2011, Hotel Union, Ljubljana, Slovenia

Jointly organised by:

Austrian Computer Society, Vienna (www.ocg.at)

and

Centre for eGovernance Development, Ljubljana (www.cegd.eu)

The annual Eastern European e|Gov Days has become a recognised platform for dialog and knowledge transfer between Western and Eastern European countries. The event brings together hundreds of professionals from both private and public sectors with competitive paper presentations and inspiring panel discussions.

After expanding the focus of the conference series to all relevant aspects of Public Sector IT applications, the conference topics will include:

- ◆ eGovernment/eAdministration and eJustice
- ◆ eHealth
- ◆ Electronic Citizen Participation
- ◆ eEducation
- ◆ Information Society and Narrowing Digital Divide

All paper submissions will be subject to a full-paper double-blind review process. The proceedings volume will be published by the Austrian Computer Society. Apart from the academic programme the schedule will also include a separate industry track.
