8th Eastern European e|Gov Days: Changing Concepts & eGovernment as a Service

April (21) -22 – 23, 2010, Prague City Hall, Czech Republic

under auspices:

CITY OF PRAGUE

JAN FISCHER

Prime Minister of the Czech Republic

Jointly organised by:

Forum e|Government / OCG-Austrian Computer Society, Vienna (AT) and EPMA/Vysocina Region (CZ) with partners,

The annual Eastern European e|Gov Days has become a recognised platform for dialogue and knowledge transfer between Western and Eastern European countries. This event brings together over 200 professionals from the private and public sector in a lively exchange of experience and ideas and real life examples.

General schedule

- April 21 - Pre-conference “ePRAGUE and perspectives of eGovernment”, project workshops (Pre-Commercial Procurement, CROSSROAD, etc)
- April 22 - EEEGOV Days Opening, plenary panels, parallel thematic sessions.
- April 23 - Plenary panel and parallel thematic sessions

joint event

Main topics of the conference

- I. Everyday eGovernment: localized and geo-determined public services
- II. New topics/aspects of eGovernment:
 - a. The elephant in the room: mGovernment
 - b. Green eGovernment
 - c. EU eGovernment Action Plan for 2015
- III. Policy modelling and New policy models
- IV. Technologies and conditions for better eGovernance (Key enablers)
- V. Marketing & Direct Democracy: Challenges to service the citizen
 - a. Servicing the citizen: a marketing approach?
 - b. Direct Democracy: reinventing marketing or specific approach?
 - c. Direct Democracy, political representation, commitment
- VI. eDemocracy & eParticipation, Social networking : contacting the citizen (*a tool or an objective?*). Socio-economic benefits of participatory Governance
- VII. Government as Open Source & eGovernment as a Service. Is eGovernment working? Is it engaging, high impact and value-for-money?
- VIII. Evaluation, measurement and public values & eGovernment
- IX. eProcurement & Pre-Commercial Procurement & bringing innovation in eGovernment
- X. eJustice & Trust, Privacy and Security aspects
- XI. eDemocracy & eEnvironment : Reality and Challenges for eEnvironment implementation in Europe
- XII. Free Access to Public Sector Information & re-use of PSI
- XIII. Reality and Challenges for municipal and regional level of eGovernment

We expect inputs of experts from academy, business and public administration, original and innovative contributions with a length of approx. 3000 - 4000 words, covering methodological issues as well as case studies.

Accepted papers will be published by OCG in the printed Conference Proceedings (ISSN/ISBN identified) and in an electronic format (which will be provided to all participants on **CD ROM**).
